Final Cottage Given

Mrs. Adelaide Cannon Blair Honors Parents by Giving Cottage to Barium

The Late Mr. and Mrs. J. W. Cannon, of Concord, Generous Benefactors While Living, Have Been Honored by Their Daughter

QUADRANGLE TO BE BUILT THIS SUMMER

Charlotte Friend Gives One Cottage, Another Given As Memorial, and Synodical Gives One

Mrs. Adelaide Cannon Blair, of Washington, D. C. is giving \$10,000.00 to construct a cottage at Barium Springs in memory of her father and mother, the late Mr. and Mrs. J. W. Cannon, of Concord. This announcement has been made by Jos. B. Johnston, superintendent of the Presbyterian Orphans' Home, who revealed that this is the fourth and final cottage of a quadrangle to be constructed here as a replacement to the present Alexander Building.

This will be the first building erected in memory of the late Mr. and Mrs. J. W. Cannon who, during their lifetimes, were great benefactors. The Home at Barium Springs having been recipients of substantial gifts from both of them.

Mrs. Blair's decision this month to give a cottage in memory of her parents followed closely on the heels of a \$500.00 gift which she sent to Barium Springs in December as a Christmas gift in memory of her father and mother. Mrs. Blair is a native of Concord but has been making her home in the national capital for a good many years.

All four cottages of the quadrangle are now definitely assured, and at a meeting of the Finance Committee, scheduled for January 27th, contracts for the construction of them will be let. (This meeting will have been held by the time The Messenger is delivered and a public announcement will have been made of the letting of contracts.)

In addition to Mrs. Blair's gift, a Charlotte friend has given one building, other friends have given a cottage in memory of their mother, and the ladies of the North Carolina Synodical raised over \$10,000 for another cottage last spring and summer.

The four cottages will hold a maximum of 84 boys. There will

be seven bedrooms in each cottage and a large sleeping porch where an additional seven beds can be placed, for maximum sleeping quarters for 21 boys in each building. In each one will be an apartment for workers at Barium Springs. Construction of these cottages will equalize space for girls and boys at Barium Springs, for at present the Home here is equipped to take care of more girls than boys. It will also eliminate the present Alexander building, which structure has needed to be replaced for some time.

In addition to these gifts for the buildings, \$1,400.00 has been given to Barium Springs to furnish bedrooms and living rooms in the two structures. Mr. Johnston estimated that it would cost \$100 to furnish a bedroom and \$200 for a living room. Two living rooms and ten bedrooms have already been provided, most of them to be in the form of memorials.

Christmas of 1940

The cottage news this month is crammed full of thanks from the children for the great Christmas season of 1940. It was a wonderful period of happiness for the entire family of Barium Springs

GOOD NEWS

Hardly a month passes but that some encouraging and gratifying news about plans of regular giving is available for disclosure in The Barium Messenger. That is certainly true for the current January issue. Here's two "good news" items that will be of inspirational value to other people throughout the Synod:

The Spencer Auxiliary has joined many, many other Auxiliaries in giving \$1.00 per-month-per Circle to the Home at Barium Springs. This decision was made in October, and \$9.00 has recently arrived from the three Circles in that Auxiliary for the months of October, November and December. In a year's time that will be \$36.00 from the Circles there.

The Young Men's Bible Class of the Greensboro First Church recently wrote, "We are starting to send you our \$100.00 per year, so I am enclosing a check for \$105.00 - the hundred to go to the yearly contribution and five dollars for Christmas. The next payment will be due April 1st." The Class formerly sent \$100.00 a year, but discontinued it for a while. However, it has been re-instated, as is clearly stated in the quotation given.

What GOOD NEWS will be available for the February issue of The Messenger?

and tears of joy would have filled the eyes of all who could have looked in on the stacks of packages that were awaiting the crucial time for distribution to the various cottages for their individual trees. They would have been happy to know that the Barium children were going to have a great Christmas.

In addition to the trees in each cottage, a special fund to be used at Christmas made possible a central tree for everybody at the auditorium this year. Only a couple of children, who happened to be ill, failed to be on hand on Christmas Eve for this tree. Christmas carols were sung and then former Barium boys who are now at college and who were home (this is home for them, you know) for the holidays started calling out names that were on over 300 boxes. Each box contained fruit, candy, nuts and raisins and what a scene it was for more than 300 children to get individual boxes of these edibles. It took a long, long time to give them all out, and in the hub-dub, those acting as "Santa Claus" had difficulty in making themselves heard as other names were called out.

After every person had their box Mr. Johnston announced that there was yet a matter that needed to be attended to before adjournment. He then revealed that the management of the three theatres in Statesville was giving each child at Barium Springs six tickets - two for the Playhouse, two for the State Theatre and two for the Crescent. The applause was long, loud and lusty. When the noise subsided, the children came forward in cottage groups and each one received an envelope with six tickets in it. Upon the (Continued On Page Two)

December is always the biggest income month of the year for Barium Springs, for it is in December that the bulk of the annual Thanksgiving Offering - generally one-half of Synod's giving in a year's time - is received at the Home here. The month of December, 1940, followed the usual pattern, for \$40,296.56 was received from Synod in December - \$36,667.30 of which was Thanksgiving Offering and \$3,629.26 as regular donations.

In nine months, Barium Springs has received \$66,746.24 from Synod - \$39,790.91 of the total being classified as Thanksgiving Offering and \$26,955.33 as regular gifts for the first three-fourths of the Church year. This was \$2,223.86 more than had been posted on the books here a year ago, for the regular contributions were \$606.57 ahead and the Thanksgiving Offering \$1,617.29 ahead.

While the Thanksgiving Offering was out in front to the extent of \$1,617.29 on December 31st that cannot be interpreted to mean that there will be a 1940 Thanksgiving Offering increase. It was because some churches reported Thanksgiving Offerings last December, whereas it was in January of 1940 before their 1939 Thanksgiving donations reached Barium Springs. As a matter of fact, it seems to be a positive fact that the final Thanksgiving total is going to be less than in 1939, unless some unusually large

supplementary gifts reach Barium Springs in the closing three months. (Editor's note: On January 20th, the Thanksgiving total was \$42,078.54.)

However, every sort of encouragement can be rightly taken from the regular increase which, if it continues on a parity basis in the last three months, is going to offset whatever decrease occurs in the Thanksgiving Offering. After all, officials at Barium Springs much prefer the larger month-by-month giving because of its usefulness in the all-year operation of the Home. It may be that the final regular amount will be slightly greater than the 1940 Thanksgiving Offering, which was not true in 1939-1940.

The Thanksgiving sums which had been received at Barium Springs on December 31st from nine Presbyteries and the amount of the 1939 final aggregates are as follows:

	1940 to Dec. 31, 1940	1939 Final
Presbytery		
Albemarle	\$1,472.24	\$ 2,005.44
Concord	9,149.55	10,947.21

68 Churches Reach Thanksgiving Peaks

On the day of going to press with The Barium Messenger, 68 churches or mission points in the Synod had either equalled or established new 16-year peaks in their 1940 Thanksgiving Offerings for the Home at Barium Springs. Eight of these filed their first reports to the Home since their establishment, which left 59 others to exceed peaks previously chalked up to their credit.

Most of the churches surpassed the new levels that were reached in 1939, for 23 churches went beyond their peaks of last year; 10 exceeded the high-water marks of 1938, and it is quite interesting that in next order was the breaking of the 1927 Thanksgiving highs by seven churches.

Some special citation is due these 68 churches (there may be more before all of the Thanksgiving Offering has been received), so a listing of them is being recorded today and the years when their former Thanksgiving peaks were reached since 1925:

Orphanage Work Secretary Says:

Dear Friends,

A few days ago we bid farewell to the old year and welcomed the new.

An end and a beginning are joined together.

The past year has been - for many parts of the world and for multitudes of people - a year of disaster.

No one can foretell what the New Year will bring but it is human nature to plan and hope for better things.

Truly we in America should thank God that we have seen another happy Christmas season and our land is in peace.

As we look forward to the New Year most of us will do so with definite plans in mind.

I trust the Presbyterians of North Carolina are planning to keep Barium Springs Orphanage Home in mind and the three hundred seventeen fine boys and girls there.

These boys and girls who are at this Home are dependent on each member of the Presbyterian Church in North Carolina for food, clothing, education and Christian training that will send them out into the world mentally, physically and spiritually prepared. What a privilege to have even a small part in the accomplishment of this great work.

Someone has said, "If we work upon marble it will perish; if we work upon brass, time will efface it; if we rear temples, they will (Continued On Page Three)

(FORM OF REQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, Incorporated Under the laws of the state of North Carolina, (HERE NAME THE REQUEST.)"

During the past several months sorrow has visited frequently in the ranks of relatives in the families of workers at Barium Springs and the sympathy of everybody at Barium Springs, as well as friends throughout the Synod, is expressed to the following:

To Miss Sadie Eudy in the loss of a brother who died in October following an automobile accident in Gastonia.

To Mrs. J. B. Johnston in the loss of a brother who died in a Columbia, S. C. hospital in December after an extended illness.

To Mrs. Ralph Spencer in the loss of her father who died in Mooresville in December.

To Miss Ella Mae Burgess in the loss of a brother who died in an automobile accident near Asheboro in the early part of January.

To J. H. Lowrance whose mother died at her home near Mooresville in January.

To Mrs. S. A. Grier whose mother died at the home of a son in Spartanburg in January.

Christmas of 1940

(Continued From Page One)

envelope was printed "Wishing You a Merry Christmas."

There was another extra tree at Barium Springs this year, too. This was a large one filled with Christmas lights and which attracted considerable attention from those who passed by and which made the campus at Barium very Christmasy. This tree was also possible through that special fund that resulted in the boxes of fruit, etc. An investment was made in lights of many colors, a

symmetrical tree was obtained and at dusk each evening it was turned on and remained lighted through the night. Such a lighted tree has never been at Barium, and folk around here were glad that a special fund for these two purposes was available. The money that had been given took care of all expenses involved in fixing the tree and in operating it.

Christmas packages started arriving some ten days before Christmas and they came from all directions and by all means of transportation. Some came by motor express, Uncle Sam delivered the bulk of them and others were brought here by individuals. Many organizations and individuals had taken the Santa Claus letters of the children and answered them. Clothing people sent gifts to the children in which they were particularly interested. Quite a few organizations wanted the names of children who might not get as much as others, so that some extra gifts could be sent to these boys and girls. Other organizations wanted the names of all individuals in certain cottages so that each person could get an extra gift. It was a "sight to behold" to see all of the packages stacked in one room, and before it was over, some of the packages had to be moved out to make way for other packages to be recorded and classified according to cottages.

Elsewhere in The Messenger official thanks are expressed, and the cottage news voices appreciation, but these sidelights of Christmas could not be ended without expressing gratefulness again to those hundreds who participated in the grand Christmas of 1940 for the children in this Home.

News From Some Of The Cottages

WOMAN'S BUILDING

This is Woman's Building, bringing you the latest news and gossip, hot off the campus.

The Barium Tornadoes beat Kannapolis' Little Wonders a double-header. The scores were 27-11 (girls), 48-26 (boys).

The Barium girls played Mitchell College a practice game and were defeated by the score of 31-24. The boys played Lexington and were defeated 40-29. The teams go to Spencer tonight and we hope that when they return they bring back the bacon.

Since this is the first news after Christmas and the New year, we hope you had a nice Christmas and a Happy New Year. We all did and several went away during the holidays. Sara Parcell went to Cleveland, Glenn Lindsay to Charlotte, Lillie McDonald to St. Pauls, Louise Martin to Winston-Salem, Mary Adams to Robersonville, Mae and Mabel Shoaf to Winston-Salem, Margie Lail to Morgan, Elizabeth Robards to High Point, and Mary Ann McCormick to Gastonia.

We want to thank Mr. Sams for the tickets he gave to everyone at Barium, and we want to thank Mr. Carter for inviting us to the show. We sure did enjoy it. We saw in a Charlotte paper where 100 children were invited to the theater for a Christmas treat. Mr. Carter invites us at least once a month all year 'round. Aren't we lucky to have him for a friend?

A great occasion was the 8th of January, when four "great" people were celebrating their birthday. Ruth Cole, secretary Lucille Burney, coach Harry Barkley, and treasurer Ernest Milton. The party they "didn't" have was wonderful.

The Virginia Hall Mission Band is planning a social Saturday afternoon. The generous hostess, Sara Parcell, will serve toothpicks, water and a paper napkin. Everyone is cordially invited (to stay at home.)

Jo Jo, foggy weather beauty salon presents the weather forecast: Snow or rain. Tune in next month and we'll tell you which. Incidentally, Daisy Cayton got a permanent at this beauty salon, and is it "stringy", oh, I mean lovely.

At last "Pearly Gates" Hooten has settled down, and the lucky one was none other than Betty Whittle. What happened, Jerry?

Grover Ingram has finally gotten his blonde. His choice was Jean Fletcher.

Where did Mary Ann McCormick get that lovely bracelet she's been wearing? Could Santa have brought it to her or did Red?

Why does Flora Mae Newnam go around singing "Time On My Arm", instead of "Time On My Hands". We wonder if she's wanting to show off her watch or is she just being in style?

Sallie Farmer certainly was lonesome last Saturday. Could it

be because Davidson had a wrestling meet at Carolina?

Geraldine Blue goes around singing "Willie, Willie, Willie". Could it be that it is her favorite song or her boy friend's name?

Glenn Lindsay likes to go to the show. She also likes the chaffeur.

Mary Johnson claims to be Uncle Sam's niece. Could it be because of the navy?

Ruth Cole also likes the navy, because she was heard whistling "Anchors Aweigh".

Lillie McDonald says it's the army for her. (Say, Lillie, that's a pretty locket you have.)

Emma Eudy always keeps her fingernails fixed. (Hey, Emma, what kind of a fingernail set was that you received Christmas?)

Evelyn Coppedge always receives letters from Davidson College. Could it be "Jeep" or Hi Yi? We won't keep you in suspense, so we will tell you next month.

Why does Sarah Parcell like to go to airplane pictures. Could she be hunting for her brother or a friend?

Margie Lail has been deciding which is the best, the picture of Errol Flynn or oh! I just can't think of his name, but when I find out who it is I'll tell you.

Mabel Shoaf must have been a good girl during 1940 because Santa certainly was good to her. Or was it Santa?

Virginia Cranfill still says her heart belongs to Daddy. But we know better because Daddy doesn't go to Erskine and Al Smith does.

Myrtle Mills used to sing "I'm Nobody's Sweetheart", but now she sings "Billy".

Flora Mae Smith certainly has taken an interest in basketball this year. Could it be she likes the game or a player?

Louise Martin still likes to hear "Shave and a Haircut" played on the piano (confidentially, it's not on the piano, it's on the horn of a '39 Ford).

Whose the girl we see wearing a new piece of jewelry since Christmas? Could it be Mae Shoaf? Ask Henry, he ought to know.

Well, we'd better close now because time is passing and we must be on our way, but while we are sitting here writing the news, we hear the roar of cars and trucks passing instead of bombs and are we glad.

See you next month, we hope. Your Messenger Reporters.
—"Sully" Ann McCormick.
—"Flossie" Mae Newnam.

LEE'S COTTAGE.

Christmas is one of the happiest times at Barium, and this one was the best we have ever had.

Our friends were so good to us. We received many gifts. Some of them did not have complete addresses and we cannot write and thank the ones who sent them, so we want to say "thank you" to all who sent gifts for us.

We had our tree as usual early Christmas morning, and we had twin Santa's, Jack and Tom McCall. We found that was a good idea as we did not have to wait long for our packages.

Mr. Sams gave us many hours of fun when he presented us with six picture show tickets.

A number of us had visits from relatives during the holidays.

The basketball season is on now. We are looking forward to a good season.

Bobby Whittle and Richard Shoaf are out for wrestling. The rest of us are out for basketball.

The Intermediate Christian Endeavorers had their Christmas party in our cottage. The sitting room was decorated very pretty. There were about seventy boys and girls present. Mrs. Jackins, our sponsor, directed the games, and we had lots of fun.

School started December 31st and now we are on the last half of the term.

We have made some New Year's resolutions and are going to try to keep them.

A number of our boys and girls who are away at college spent the holidays with us. We are always glad to see them.

ANNIE LOUISE.

Good Old Santa was terrific to us this Christmas, but in case you don't understand what terrific means, it means he was as good as he could be and he couldn't possibly have been better.

Each one of the girls received a Christmas card and handkerchief from friends in Mooresville. We appreciate them so much. All of us enjoyed getting our Christmas mail.

In January we have one little girl to go to the birthday table and she is Jeane Steppe, but before the year is over we will all be going.

We want to thank Mr. Sams for all the show tickets he gave us for a Christmas present. He couldn't have thought of anything better to give us. Thanks again. Gwendolyn Landrum, Helen Morgan, Sadie Cauthen, Nellie Isenhour, Essie Jean Lee, and Sarah Bradshaw had visits from their people during the Christmas holidays.

We had a Christmas tree on Christmas Eve at the auditorium. Each child received a box of candy, fruit, nuts and raisins.

We had a beautiful Christmas tree on the campus which was lighted every night during the holidays. We all enjoyed it so much that we hated to see them take the lights off.

Some of our friends brought us large bags of oranges and lots of candy and nuts. If we didn't thank you in person, here are our thanks written on paper.

Miss Carpenter weighed and measured us not long ago and we sure have done a lot of growing in height and gaining in weight in the past year.

Be sure and look for us next month.

—Annie Louise Girls.

BABY COTTAGE.

We wish all our friends a "Happy New Year".

We had just finished thanking the Steele Creek Presbyterian Church members for the nice chicken dinner they gave us at Thanksgiving when here comes Santa Claus!!

Dwight Reid wants to thank his many friends for sending so many nice gifts.

The boys at Baby Cottage want to thank the Women's Auxiliary of the First Presbyterian Church at Winston-Salem for Christmas greetings.

Mack Wicker wants to thank Mrs. R. E. Johnson for the nice sweater she sent.

Another little boy wishes to thank Mrs. William Thomas for the nice things she sent him.

Thanks are due the Circle 7, First Presbyterian Church of Charlotte and to the Business Women's Circle of First Church at Mooresville, both of whom sent boxes of toys with which we enjoy playing.

Edward Traywick wants to thank Mrs. C. H. Sloan of Belmont for the funny papers she sends regularly.

Mack Wicker thanks Johnny Ray and Dickey Ray for the Christmas gifts.

Jerry Ennis thanks A. M. Buie and Joe Sloan for Christmas remembrances. He also wants to thank Mary Elizabeth Williams and all other friends who sent him Christmas gifts.

Deryl Overcash thanks all his good friends for remembering him at Christmas.

Richard Vest thanks his friends for the nice box of clothing they sent.

Since we wrote you last we have a new little boy at our cottage. He is Johnny Collins and is 2½ years old. He's the baby of the Home now.

We enjoyed a visit from Mack Wicker's Aunt Callie Battley and want to thank her for the balloons she sent. We had a good time with them.

All of us babies and our matrons want to thank Mr. Sams for the show tickets he gave us for Christmas. We enjoy going to the show very much.

—The Babies.

ALEXANDER COTTAGE.

Our Christmas was the best we have ever had. We wish to thank all our friends who brought us so much happiness. So many of our Santa Claus packages did not have names so we cannot write to you but to all we say "Thank you".

The cakes sent by the Hickory Auxiliary, the Laurinburg Auxiliary and the Waldensian Bakery have been enjoyed by all in the dining room during the holiday season.

Some friends sent a bottle of Vick's Drops for each boy. We thank you. Not one boy in our family has been ill in such a long time. We feel like knocking on wood!

A. C. Gant has gone home to live with his mother. We miss him but hope he will be happy.

We are all so happy that our "Daddy" Johnston with Mrs. Johnston, their daughter, Leila, and son, Bob, could see the Blue and Gray and Sugar Bowl football games and visit their son, Dr.

"Press time again"! The more news we get the quicker the month goes, but what's the difference its gotta go, so it goes. Here goes a new column for you "brain stormers" like me.

"Well! well!" Ole Stricklin has finally settled down; she's Dorothy Gibbs, I think.

I under-estimated Rowland Hooten's ability. He's a real ladies' man, so thinks Betty Whittle.

I saw a rumor running around, so I caught it and here it is. A certain Beulah Baldwin has been caught in the charms of Paul Burney, our one and only "glamour" boy.

Your guess is as good as mine of Fletcher's new heart throb. He's buried the hatchet on that one in Statesville, and your guess is as good as mine as to who he's got now.

The presses are steaming hot over the great Dorton-Stafford wrestling match which went off Jan. 13. Dorton was the winner by a decision over Stafford.

A boy in Statesville has gone crazy over Mary Ann McCormick. Anyway, he is a star basketball player and the address is "Brookdale".

Could it be true that Grover Ingram finally hooked Jean Fletcher? Umm—could be. (I quote a friend—J. F.)

My ideal boy of the month would have—the hair of "Weary" Stafford, the eyes of "Jap" Smith, the complexion of Elwood Carter, the physis of "Shadow" McKenzie, and the ability of Art Roach.

I can't think of anything on David Burney, so until next month, I would like to leave you with this thought in mind—

The rains may come, the winds may blow,

But as for the news, Lindsey will know.

I remain your B. S. correspondent, leaving you with columns of luck.

Joseph Johnston, in New Orleans. We hope that we may soon be able to tell you the new buildings have been started. We are getting so anxious.

We are all smiles at the dairy. The latest addition to our herd is a registered Bull Calf, gift from the Lyndale Dairy in High Point. As yet we do not know his name. We are waiting patiently for his registration papers to come back. But we do say he is a beauty. Carl Ferguson cares for him.

John Hawley and Hervey Stricklin go out for wrestling. The rest of us play basketball. So you folks can guess just how busy we are, as our cows never take a holiday.

SYNOD'S COTTAGE

Old Santa has come and gone. We hope he was as good to you as he was to us. We appreciate so much all the nice things that were done for us. It rained Christmas and we could not skate, but we had a good time playing in our playhouse with our other toys.

We want to thank Mr. Sams for our picture show tickets. He never forgets us.

School has started again. We

COTTAGE NEWS (Continued From Page Two)

We were glad to see our teachers come back.

We went to a freak show in Statesville and saw more interesting things.

George Cauthen had a nice visit from his mother. Lots of our boys had visitors during Christmas.

We want to thank the ladies in the Mooresville First Church for all the nice packages they sent us. We surely did enjoy the candy Mr. and Mrs. Pat Johnston sent us.

Orphanage Work Secretary (Continued From Page One)

crumble into dust; but if we work upon immortal souls, if we imbue them with principles, with the just fear of God and love of fellowmen, we engrave on these tablets something which will brighten all eternity.

Planning and effort are necessary to achievement. The more carefully we make our plans and the greater our determination to carry them out the more certain we are to reach our goal. So let

us plan to visit Barium as often as we can. Keep Barium before the women of the church and contribute as liberal as we can to the work of Barium. Keep informed of the needs of Barium.

Whatever we may seek to accomplish during the year that lies before us, we must not leave God out. If during the coming year we seek to know and do His will, we can be assured that His blessing will attend us.

May we each one make this poem "A New Year's Motto" our motto:

I asked the New Year for some motto sweet,
Some rule of life with which to guide my feet:
I asked and paused. He answered soft and low:

"God's will to know."
"Will knowledge then suffice, New Year?" I cried.

And ere the question into silence died
The answer came, "Nay, but remember, too,

God's will to do."
Once more I asked: "Is there no more to tell?"

And once again the answer softly fell:
"Yes, this one thing, all other things above,

God's will to love."
(Mrs. C. I.) Janie J. Loftin

THANK YOU

Hundreds of people, many organizations and a good many business firms participated in making the 1940 Christmas season a great and happy one for the several hundred children at Barium Springs. A listing of the thousand or more different packages received, extra gifts for the children, etc. would require a considerable part of The Messenger and in the rush of the Christmas season some one's name might be inadvertently omitted. Following the policy in vogue for years, no attempt is made to record any of these Christmas donations in The Messenger, but these brief words of thanks are designed to include every one who had even the tiniest part in bringing cheer and joy to the lives of the children at Barium Springs. It makes officials here glad that the Christmas spirit of giving is so wonderfully reflected in a marvelous participation by hundreds of people. These official thanks could be augmented a thousand-fold by the boys and girls of Barium Springs.
